Dear Brother will drop you a line you will see I am at George's but have got to go to Mankato Saturday as they have sent for me to examine a cople (of horses that the vets there have gave up. Have had some pretty bad caves (sic) here but have brought them out if you think I could get a cople of weak of decent work I would come down. Will go have pretty soon I sent home and got my dentist tools. Right me to 114 Cherry St. Mankato. I will be there Saturday the 19th. Hope this will find you and family well. Give my regards to your wife.

From Your Brother
