Dear Uncle

We received your letter yesterday and was glad to hear from you and that you are enjoying better health and hope you get entirely over your trouble. We are all pretty well here. I am all alone just now. Lettie and kids are over to one of the neighbors. My boy Lee was here a few minutes this afternoon. He owns a garage about 3 miles

2 and 1/2 miles
from here on a main
high way and has a good
trade. He got married
last October and got
an awful good girl
that leaves me 3
kids at home. Lila
is in High School
Jean & Melvin in
grade. Lettie says
that you can out
run her yet. She is
getting pretty heavy now.
She weighs over 140
pounds but she sure
can do a lot of work.

My boy Lee was here a few minutes this afternoon. He owns a garage (sic) about 3 mile from here on a main high way and has a good trade. He got married last October and got an awful good girl. That leaves me 3 kids at home. Lila is in High School. Jean & Melvin in grade. Lettie says that you can out run her yet. She is getting pretty heavy now. She weighs over 140 pounds but she sure can do a lot of work.
